HYDRA-COOL® SERUM
 6.25 pH +/- 0.5

HYDRATING, SOOTHING, ANTI-ACNEIC

BENEFITS

- Provides intensive, penetrating hydration
- Cools, calms, and soothes dry, irritated, or damaged skin
- Helps reduce mild acne
- Provides antioxidant protection
- Excellent for use after shaving, for men
- Excellent for travel (helps replenish the dehydrating effects of air travel)
- Helps reduce sunburn/erythema
- Can combine with any "active" treatment product to accommodate acclimation
- Revitalizes aging and compromised skin
- Excellent for patients undergoing cancer treatment therapies
- Paraben-free

COMMENTS

HYDRA-COOL® SERUM is formulated to rejuvenate, hydrate, and soothe the skin. This refreshing, powerful, penetrating serum combines superior antioxidants with essential botanicals and bionutrients. Excellent for relieving the sting of sunburn and the burn of freshly shaved skin, HYDRA-COOL® SERUM is anti-acneic as well.

HYDRA-COOL® SERUM is designed for all skin types and ages, and is gentle enough for even the most sensitive skin.

INDICATIONS

- Normal, dry, oily, or combination skin
- Dehydrated skin
- Irritated skin
- Damaged skin
- Sensitive skin
- Acne
- Sunburn
- Aging, compromised skin

HYDRA-COOL® SERUM

6.25 pH +/- 0.5

treat & hydrate

DESCRIPTION Lightweight blue-green serum.

INGREDIENT FEATURES

KEY INGREDIENTS	DESCRIPTION
SODIUM HYALURONATE (Hyaluronic Acid—Botanically Derived) 25.0%	Humectant; demonstrates hydrophilic properties—attracts and binds up to 1800 times its molecular weight in water.
PANTOTHENIC ACID (Vitamin B5) 5.5%	Essential element required for enzymatic functions within all cells. Enables the metabolism of carbohydrates, proteins, and lipids, increasing cellular integrity and efficiency.
POLYPORUS UMBELLATUS (MUSHROOM) EXTRACT (Source of Kojic Acid) 0.1%	Inhibits tyrosinase, the enzyme that produces melanin, thereby controlling hyperpigmentation. Also exhibits powerful antibacterial, antimicrobial, and antibiotic properties.
ASIATICOSIDE, ASIATIC ACID, AND MADECASSIC ACID (Sourced from Centella Asiatica) 0.3%	Efficacious antioxidants that stimulate collagen synthesis and improve microcirculation, capillary flow, and vascular tone, to promote wound healing and reduction of scar tissue.

INGREDIENTS

Water/Aqua/Eau, Sodium Hyaluronate, Pantothenic Acid, Pentylene Glycol, Asiaticoside, Asiatic Acid, Madecassic Acid, Polyporus Umbellatus (Mushroom) Extract, Menthol, Phenoxyethanol, Blue 1 (CI 42090).

CAUTIONS For external use only. Avoid contact with eyes. Store in a cool place.
